

Job Posting

As a new service to our readers, we will be listing employment postings in this section of our website. Posted here will be openings for medical directors, nurse practitioners, physician assistants, DONs, administrators and other professionals who work in our long term care facilities. Posting an employment opportunity on this page will be a FREE service to a MMDA member and/or a facility whose medical director is a MMDA member. If you do not have a MMDA membership, you can join [here](#).

- Non-members will pay \$250 for a single posting. Payment must be received by MMDA before the listing is posted.
- Please keep your posting to approximately 200 words or less and be sure to include contact information.
- All postings will be removed after 30 days.
- Please submit requests for a posting to mmdawebsite@gmail.com.

If you are eligible for a free posting, include in the email the name of your medical director who is the MMDA member, otherwise include a check payable to MMDA for \$250. The MMDA Executive Board retains the right to approve/edit/deny postings. MMDA is not responsible for accuracy of information in the posting.
